

**Intergovernmental Council
of the Northwest Territories**

**Third Intergovernmental Council on Land and Resources
October 21, 2016
Yellowknife, NT**

SUMMARY OF OUTCOMES

Leaders approve the 2015-2016 IGC Secretariat Annual Report.

Leaders direct the Aboriginal Government Capacity Working Group to continue with their mandate for the upcoming year and to report back to the Intergovernmental Council in 2017 on the work undertaken with the priorities presented in the report.

Leaders direct the IBA Working Group to continue with their mandate for the upcoming year and to report back to the Intergovernmental Council in 2017 on progress made with the development of related legislation.

Leaders direct the IGC Secretariat to continue with the development of a detailed Strategic Plan based on the Strategic Plan Framework. The long term plan should include timelines, indicators and required resources, including the legislative priorities and legislative framework. The detailed Strategic Plan will be tabled at the 2017 Intergovernmental Council Meeting. If required an appropriate approval process will be put in place.

Leaders direct the Government of the Northwest Territories to instruct the senior officials from the key departments to commit to participating in the IGC Secretariat meetings.

Leaders direct the IGC Secretariat to work on formalizing a government to government working relationship with the Government of the Northwest Territories.

Leaders direct the Department of Aboriginal Affairs and Intergovernmental Relations to set up a budget for the IGC Secretariat Coordinator to undertake activities that support the IGC Secretariat. This will help when planning the work to be undertaken.
